Rotary Offers Many Programs for Youth

- Rotaract clubs bring together people ages 18 and older to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service. In communities worldwide, Rotary and Rotaract members work side by side to take action through service.
- YAIL (Youth Adventures in Leadership) is a once-a-year Rotary leadership program for youth between the ages of 15 to 17.
- RYLA, also a leadership program, targets youth 18 to 30. Both programs provide excellent leadership training.

Please see next page.

Please contact langleysassynominations@gmail.com with any questions.

YAIL & RYLA

Rotary District 5050 provides unique leadership experiences for youth and young adults within the District's boundaries. Youth Adventures in Leadership (YAIL) and Rotary Youth Leadership Awards (RYLA) are multi-day leadership camps focusing on personal leadership development. These programs rely on financial and instrumental support from Rotary clubs within the District.

We kindly ask your club to complete this commitment letter so our committees can determine the level of support your club can provide and/or needs related to these two programs.

ABOUT YAIL & RYLA

YAIL is unique to Rotary District 5050 and was modelled after RYLA. RYLA is a Rotary International program that Rotary Districts put on for a specific age group (anywhere from 14 – 30) to develop leadership, business, or other skills.

District 5050's programs are designed for participants with leadership skills or potential. YAIL targets youth aged 15 to 17, while RYLA focuses on young adults 18 to 30. Activities, including speakers, debriefs, and team building, contribute to participants' personal growth. Over the course of the events, participants experience specifically designed programming to think critically, adapt to external pressures, and be vulnerable in a safe and supportive environment. The general feedback both programs receive from participants is that they've had a life-changing experience.

Both programs invest back into the District tenfold. Participants leave these programs with a positive experience with Rotary. Some go on to participate in other Rotary programs, join or start clubs, and be community stewards.
